Dear Patron,

I'm writing to thank you for your generous support of the Young Victorian Theatre and to urge you to renew your support by giving generously once again.

As a supporter and patron of our theatre you probably remember that this is the time of year when we ask all of our supporters to renew their support for our annual fund campaign.

**Your gift of \$100, \$250, \$500, or \$1,000 will enable us to bring the joy and frivolity of Gilbert & Sullivan to the greater Baltimore Community for yet another season.**

Your generosity has already enabled us to bring so much delight to theater lovers in Baltimore.

Every year, I am blessed with letters and emails from Patrons sharing their indelible memories from our show.

Last year I received one in particular from patron, Stephen David, who'd brought his dad to see HMS Pinafore shortly before he died. It choked me up to hear that Stephen's dad later said it was one of the best days of his life.

And it is because of you, that I, and the rest of the Young Victorian Theatre, can provide such joy to so many, each and every year.

You make it all possible and I will never be able to express my gratitude and appreciation for your continued support.

I remain forever grateful for all you do.

Very truly yours,

Brian S. Goodman  
General Manager

P.S. Your last gift made such a difference. If you are able to match that gift or even make a greater gift, I will be enormously grateful. Please use the enclosed postage prepaid envelope and make your gift today.
